

2012 Julia Greeley Award Nominee Form

At our annual Endow fundraising gala, to be held April 14, 2012, we will celebrate the importance of sharing the messages of dignity and authentic feminism with the youth. During this gala, we would like to recognize an Endow woman who, through her work with young girls in the Endow youth programs, demonstrates in a particular way the *Genius of Women* as described by John Paul II. We would like to ask your help in nominating an Endow woman for the Julia Greeley Award by completing the below form.

Julia Greeley (Background Information)

Julia Greeley was a slave who gained her freedom after the Civil War and was brought to Colorado in the 1870s to work for the family of Colorado's first governor. Throughout her time in Denver, she converted to Catholicism and had a deep devotion to the Sacred Heart of Jesus. Her devotion to Christ overflowed into her daily actions of caring for the poor, especially poor children. Her feminine genius was also evident in her constant help for struggling mothers. Clearly, Julia embodies Endow's mission to uphold the dignity of women and promote authentic feminism.
